FLEETLINE 10W SF/CF4

DESCRIPTION

FLEETLINE 10W is a high performance monograde crankcase oil specially designed to lubricate a wide range of medium to heavy-duty diesel engines.

PERFORMANCE STANDARDS

Fleetline 10W meets the performance requirements of:

- API Service Categories CF/SF
- CCMC D4, G2
- Mercedes Benz 228.0 Approval
- MIL-L-2104C

APPLICATION

- Mixed fleets of diesel engines and petrol engines.
- Off road vehicles, plant & commercial road transport
- Manual and powershift transmissions & mobile hydraulic systems (where oil type and viscosity are appropriate)

BENEFITS

- High power output
- Long engine life
- Saves on inventory costs
- Long oil drain intervals

KEY PROPERTIES

SAE GRADE	10w
Total Base Number, D2896, mg KOH/g	11.0
Viscosity Index	100
Viscosity @ 100 C	14.4
Sulphated Ash, m%	1.5
Zinc, m %	0.12
